Vet Post has been created not only to allow Pet Owners access to discounted medications, but also to provide a New Zealand database of articles and veterinary knowledge to help pet owners give the best care possible to their pets.

Dr Rebecca Penman is extremely passionate about being a veterinarian and has designed Vet Post so she can help more and more pets New Zealand wide. She has a wealth of knowledge from her 12 years practising as a veterinarian, working with a large variety of animals in New Zealand, Australia and the UK, everything from hamsters to camels!

Dr Rebecca has two gorgeous dogs that came back with her from Broome last year (Cooper and Stevie), and 3 ver mischievous horses (Nullah, Jasper and Peaches). In her very occasional spare time she loves experiencing adventurous sports such as Paragliding, Snowboarding and everything in between.

Vet Post has formed an exciting relationship with HUHA (Helping Us Help Animals) where they will be donating \$1 from every single purchase you make to this amazing charity. That means every time you buy something from Vet post you will be hoping give another animal a chance at a new home and life. Please check out their website [www.huha.org.nz](http://www.huha.org.nz) if you'd like to find out more, of even make a further donation.

The main purpose at Vet Post is to help pets in New Zealand be healthy and happy and allow them to have a long and enjoyable life with their owners.
